Network with
Real-Time
Availability

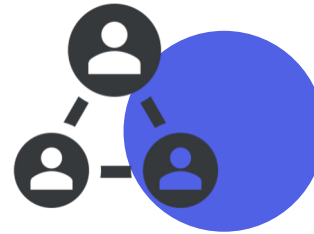

STAFFING SERVICES

Right Talent. Right Now.

WE STAFF EXPERTS IN:

- **SAP:** ABAP, BASIS, FICO, MM, BW, S/4HANA
- **Cloud & DevOps:** AWS, Azure, Terraform, CI/CD
- **Data & Analytics:** Python, R, Power BI, Tableau, Snowflake
- **App Dev:** MuleSoft Developers, EDI Developers, .NET, React, Angular

HOW WE DELIVER:

- U.S.-based Account Managers
- Custom Screening & Vetting Workflows
- Global Talent Network with Real-Time Availability

Roles Delivered:

- SAP S/4HANA Functional and Technical Leads
- Cloud Architects, DevOps
- TOSCA Engineers, SDET Engineers
- Data Analytics Consultants, Snowflake Data Engineers

CANDIDATE SCREENING PROCESS

STEP 1

● **Requirement Alignment:** Intake call to understand role needs, timeline, team-environment and must-haves

STEP 2

● **Candidate Identification:** Source from internal bench, partner network, and proprietary database.

STEP 3

● **Technical Vetting:** Hands-on assessments, coding tests, tool proficiency checks, and/or peer reviews.

STEP 4

● **Client-Specific Screening:** Apply custom client checklists (tools, workflow, certifications, compliance).

STEP 5

● **Submission & Interview Prep:** Share polished candidate profile + prep candidate for interviews and onboarding support.

CONSULTING SERVICES

Execution that scales with you

FOCUS AREAS

Roles Delivered:

- SAP Upgrades & Support (ECC → S/4HANA)
- Cloud Architecture (AWS, Azure, GCP)
- DevOps & Automation (CI/CD, Containers)
- BI & Analytics Platforms
- Quality Engineering & Test Automation (TOSCA, SDET, Selenium)
- IT Infrastructure Modernization

When you need more than staff augmentation, we deliver project-ready leadership and execution. From modernization to migration – we own outcomes.

DELIVERY MODEL

Local Control. Global Reach

We blend U.S.-based engagement with India-based scalability for continuous execution — across time zones and project scales.

Framework:

- Atlanta HQ: Client Engagement & Leadership
- Chennai & Bangalore: Delivery Operations
- 24/7 Availability
- Elastic Teams for Surge & Scale

WHY PAASSOFT?

PROVEN EXPERIENCE	SPEED, SCALE & FLEXIBILITY	RIGOROUS VETTING, ZERO NOISE	ALIGNED DELIVERY MODEL	HIGH TRUST, LOW OVERHEAD
• Years of supporting Tier-1 SIs and enterprise partners. • Familiar with enterprise governance, rate cards, and delivery models	• 24–72 hour average time-to-fill • Elastic delivery teams across U.S. and India • Ready-to-deploy talent pools in SAP, cloud, QA, and DevOps	• Customizable screening workflows • 3-tier evaluation: technical, cultural, and client-specific • Only qualified, interview-ready profiles reach you	• U.S.-based engagement managers • India delivery hubs (Hyderabad, Bengaluru) • 24/7 candidate coordination and project ramp-up	• Consistent fill ratios and interview-to-hire rates • Direct point of contact — not layers of escalation • Focused on long-term vendor success, not just requisitions

THANK YOU

Anthony Lourdes
